WHAT YOU WILL DISCOVER AT THE MUSEUM

- **THE SCENTING TABLE - la table d'odoration** - Challenge your senses with an aromatic test. Can you identify the essential oils in these unlabelled little bottles? Enjoy discovering the secrets of these delightful compositions.
- **PERFUME BOTTLES**
You will see dozens of rare glass perfume bottles, from the master glassmakers
The collection of storage bottles was used for essential oils, floral waters and other ointment jars from the past
- **THE "CARRÉ DES SIMPLES" - AN AROMATIC BIO ORGANIC GARDEN**
Relax in the "Carré des Simples", the name given to their garden by monks of the Middle Ages for a tranquil aromatic organic garden protected by high hedges. The "simple" plants were cultivated for use in apothecary remedies. In the experimental garden, aromatic plants of Provence are grown organically because they have provided a natural biodiversity for 25 years, much to the delight of butterflies and ladybirds.
- **DISTILLATION**
Discover the transformation of aromatic plants in a traditional distillery; the synergy of water, fire and organic matter that unleashes the precious aromatic molecules... the magic of distillation.
- **THE AROMA BOUTIQUE**
Welcome to our boutique, filled with 100% BIO certified organic essential oils, floral waters and aromatic compounds, all books and formulations from nelly Grosjean. You will find wonderful gift ideas !
- **THE ALAMBIC COURTYARD (la cour des alambics) AND THE BAMBOO CABIN CAFÉ (cabane bamboo)**
In the courtyard, you will find a collection of copper stills (alambics) of all sizes and ages...
In the summertime, you can relax in the shade of the beautiful plane trees, while listening to the song of the cicadas. You can enjoy a refreshing summer lunch in Cabane Bamboo, savoring the bio organic food from our permaculture aromatic garden...
